The motion to dismiss contends that grounds one and nine of the petition must be dismissed because the claims are either unexhausted or fail to state a federal claim for relief. Pursuant to the provisions of Local Rules of Procedure, Rule 7-2, petitioner's failure to respond to the motion is a concession on his part that the arguments are valid. Therefore, the motion to dismiss shall be granted and grounds one and nine shall be dismissed with prejudice.

**IT IS FURTHER ORDERED** that the answer to the remaining grounds in the

1 petition shall be filed and served on or before May 16, 2011. Petitioner's reply shall be filed and  
2 served thirty days thereafter.
